

Counting With Money!

If you'd like to, you can clean the coins off with soapy water before use

What you need:

- Muffin tin
- Cut up pieces of paper
- Dimes, pennies, quarters and nickels
- Half dollar and dollar coins (Optional)

How to:

- Write different amounts of money on small pieces of paper
- Put the papers in the different tins
- Put out one of each coin for their reference
- Let them fill each tin with the amount written on the paper

Good for math and coin recognition
